TOWN WARRANT
STATE OF NEW HAMPSHIRE

[L. S.]

To the Inhabitants of the Town of Deerfield, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Deerfield on Tuesday, the tenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the Town will vote to accept State Aid Highway Maintenance, and raise and appropriate money for the same.
4. To see if the Town will vote to raise and appropriate one hundred and fifty dollars for Memorial Day.
5. To see if the Town will vote to purchase new equipment for plowing snow and raise and appropriate money for the same.
6. To see if the Town will vote to pay the Dearborn Cemetery Fund, and raise and appropriate money for the same.

7. To transact any other business that may come before this meeting.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and thirty-one.

CARL M. FOGG,
HOWARD P. KING,
CHARLES E. RAND,

Selectmen of Deerfield.

A true copy of Warrant—Attest:

CARL M. FOGG,

Selectmen of Deerfield.

Deerfield, N. H., Feb. 7, 1931.

We have examined the foregoing accounts of the Selectmen and find them correct and well vouched.

HAROLD E. HARTFORD,
HENRY P. HAYNES,

Auditors.

THE PHILBRICK FUND

The Philbrick Fund is now the only fund handled by the Selectmen. There have been some changes in the various items and a statement of the several amounts and the income from them is as follows:

In Town Treasury, \$1,701.25, yielding $3\frac{1}{2}\%$

In Amoskeag Savings Bank, \$1,200, yielding 5%

This amount (\$1,200) was derived from the sale of Manhattan Beach Railroad Stock.

During the year 1928 the Liberty Bond matured and this amount, \$150, is included in the amount \$1,701.25.

One-fourth of the income of this fund is payable to the School District for No. 1 School, and the remainder, after paying for the care of the Philbrick Cemetery, is payable to the Trustees of the Philbrick-James Library.

To the School Board of Deerfield:

My second annual report deals with organization and instruction, new equipment installed and repairs needed, health supervision, graduates and the comparative cost of high school education.

The only change in the staff of teachers occurred in the Pond School, where Miss Mentana Gatti of Worcester, Mass., a graduate of Keene Normal School in the Class of 1930, succeeded Miss Etta S. Chase.

Due to the illness of Mrs. Beatrice Salls Clark, teacher of the Parade School, Miss Lydia Bellows of Manchester, a 1930 graduate of Plymouth Normal School, taught as substitute for the first eight weeks of the fall period.

There has been added in all schools, having the seventh and eighth grades, a complete course in junior high school literature. This provides a wider variety of silent reading and testing, and encourages in these upper grades continued oral reading for expression. In the same grades there is being built up a junior science course related particularly to the home and farm environment. This study of science is correlated largely with the work in geography.

The heating facilities in both the Center and Pond schools have been improved. The box stoves, formerly in use, have been equipped with sheet-iron jackets which make possible the constant admission of fresh air, warmed and evenly distributed to all parts of the room. At the Center a foul-air flue with exit near the baseboard draws the heated air, circulating in the room, close to the floor. By a slight adjustment in the chimney a similar four-air flue can be provided at the Pond School.

With the opening of school in September the dilapidated and inadequate double desks in the Center School were replaced by thirty-five sets of individual desks and chairs. These are principally of metal construction and are adjustable in height.

Before another winter the basement walls at the Center School should be made weather tight. Attention must soon be given to rebuilding the attic chimney, or to the erection of an outside chimney for this building. The repair of basement walls and the erection of an outside chimney would cost approximately one hundred fifty dollars.

I am pleased to include here the report of your School Nurse for the year ending June 30, 1930.

Number of pupils examined, 78.

Number of pupils vaccinated for small pox at end of year, 78.

Report of Special Work

Nine children examined by Dr. Togus and Dr. Rogers at Elliot Hospital for diseased tonsils, enlarged glands, and underweight.

One girl admitted to Elliot Hospital in November for removal of tonsils. She developed acute appendix attack and was operated on at once. Returned home in three weeks.

MARGARET E. CRONIN, R. N.,
School Nurse.

The excessive number of cases of defective teeth and the inconvenience involved in reaching a dental physician make the maintenance of dental clinic service in Deerfield desirable. A dental clinic, sponsored—not as a matter of charity but as a convenience—by local organizations and conducted in Deerfield, would be an asset to the health and school efficiency of at least fifty per cent of the children.

The following class of nine was graduated from the Eighth Grade in June, 1930:—Frank Cole, Nellie DeCota, Ada Higgins, Kenneth King, James O'Neal, Doris Stevens, Elizabeth Tuttle, Alada Walker, Jennie Witham. Six of these graduates entered high schools in September.

Deerfield has nine pupils enrolled in Coe's Academy at Northwood, three in Pembroke Academy, three in Concord High School, nine in Raymond High School, and one in Charlestown High School. This represents 25 per cent of all Deerfield school children, receiving high school education at a cost to the district of less than 26 per cent of the total outlay for schools.

In conclusion, acknowledgment should be made of the valuable co-operation rendered to your teachers, school nurse, and superintendent by your Board, and by interested parents and other public spirited citizens. We invite personal inspection of the schools, and are always glad to consider constructive criticism.

Respectfully submitted,

GEORGE H. HARMON,

Superintendent.

February 14, 1931.
